# VSAK-2

## VIP-Special master links with welded-in connectors.

RUD RFID CONNECT IT

Product features:

- All special master links on this page are equipped with welded-in connectors that can be moved on all sides.
- This results in a non-mix-up connection to chain diameter and number of strands.
- The master link is supplemented with an identification tag (VKZA) with integrated chain test gauge.
- Due to the greater diameter of the inner width “B” of the VSAK reduces an unauthorised use (DGUV rule 109-017) and wear occurrence on the crane hook. This saves a costly intermediate suspension for oversized crane hooks.

## VSAK-2-10 / 250

| WLL 0-45° [kg] | WLL 45-60° [kg] | T [mm] | A [mm] | B [mm] | C [mm] | Weight [kg] | Ref. No. |
|---|---|---|---|---|---|---|---|
| 5,600 | 4,000 | 591 | 36 | 250 | 460 | 12,7 | 7994079 |
